

ADULT BIBLE CLASSES

NOVEMBER 2017

"Did God Really Say...?" led by Bryan Wendt (6th Grade Classroom)

This question is as old as the Garden of Eden. Satan and those in league with him have been asking it in various ways ever since.

Today the question is asked in the context of the written Word, the Bible. Shouldn't there be other books in the Bible? Isn't the text full of errors, mistakes and contradictions? Isn't it just myths and fables written by men? Should we trust it?

Bryan Wendt will lead a class discussing what Scripture is, how we got it, why it is reliable and why we believe it to be God's word.

Spiritual Gifts led by Pastor Symmank (8th Grade Classroom).

Pastor Symmank has observed the use of spiritual gifts within congregations for over 30 years. He has learned to recognize them, seen how they are used to benefit a congregation and how they are misused to cause discord. He'd like to share what he has learned from his study of Scripture and his personal experience in various congregations. November 5th and 19th, we will study **The Sign Gifts** that God has given to His Church. These are some that are unique and often controversial. On November 26th, **We conclude our study of Spiritual Gifts** and look at the various possibilities of using and deploying these gifts in our service at Zion.

Seamless: Understanding the Bible as One Complete Story – By Angie Smith

Whether you've grown up hearing Bible stories or you're exploring Scripture for the first time, the full story of the Bible can be overwhelming. The 66 books may seem disconnected at first glance. In this DVD-based study, however, Angie Smith shows how the whole Bible – from Genesis through Revelation – connects as one beautiful, seamless thread.

This 7-week women's Bible study will be held in the school computer lab and facilitated by Ellen Stamp. Each participant will receive a workbook (cost \$10) when she comes to class. Sunday morning sessions will include discussion of the previous week's homework, the viewing of a 10-15 minute video, and prayer.

Don't be scared away by the idea of homework! Each week has 5 days of homework – each assignment taking 15-20 minutes to complete. (No one will see your workbook answers by you). You'll be greatly blessed by the individual time you spend with the Lord, studying His Word. Come join us and discover the seamless thread connecting the people, places and promises of God's Word.
