

Children's Sunday School and Adult Bible Classes

Classes meet every Sunday from 9:15-10:15 am

You can join a class at any time, coming as you are able and missing when you need to.

Classes for Children

Toddlin' to Jesus (Church Nursery)

Mommies, Daddies, and babies are invited to gather for some much needed fellowship. We sing songs, have a toddler friendly devotion, eat a snack, and most importantly, talk about Christian parenting issues. It's a come as you are class, no strict schedule to follow, so don't worry if your little one is cranky (or if you are!) from a missed nap or a rough night.

Preschool 2 (P2 Room)

Two year olds are invited to attend their own Sunday School class where we will have playtime, singing, a Bible story, and a craft!

Preschool 3 & 4 (P3 Room-Gusa)

Three and four year olds meet in the 1st grade room for opening. After opening they go to their own classroom to learn the Bible story. This spring we are learning about how Jesus died and rose again to save us.

K-6th (1st Grade Room)

K-6th grade children begin in the 1st grade room for opening and a telling of the Bible story. Then we will break into three groups: K-1st, 2nd-3rd, and 4th-6th. Each group rotates through two stations: 1) Explore, a small group time where they talk about the Bible story, and 2) Express, where they have an activity, craft, or snack that reinforces the lesson. This spring we are learning about how Jesus died and rose again to save us.

Classes for Students

7th-8th: How to Study the Bible (5th Grade Room)

Have you wanted to read and study the Bible, but don't know where to start? Have you ever started reading but gotten bored, discouraged, or just plain stuck? Join us as we learn together some ways we can better read, understand, and learn from God's Word. Bring your Bible and a pen!

High School: Growing Young (8th Grade Room)

Have you heard the phrase "Growing Young" and wonder what it means? Are you curious about the results of the survey you completed in February? If so, please join us for a special three-week Bible class. We will be sharing the results from our congregation-wide survey alongside research from the Fuller Youth Institute, presented in their book Growing Young. This research offers helpful insights for how our congregation might better engage young people (ages 15-29) for the sake of the Gospel.

Are you a young person? Are there young people in your family (children, grandchildren, nieces or nephews) you care about? Are you eager to see young people active in our congregation? Then this is an opportunity you won't want to miss! This class will meet May 14, 21, and 28.

Classes for Adults

Before and After the Big Day (7th Grade Room)

This class will examine each of the Gospel lessons for all the Sundays of Easter which are all from the Gospel of John. The class will consist of reading and carefully examining these exciting texts, followed by provocative questions and discussion to make the Scriptures applicable to our lives. Please join us in these Easter days as we continue to celebrate the triumphant Resurrection of our Lord Jesus. This class will be led by Pastor Gersch.

Gospel of John: Chapters 1-6 (6th Grade Room)

Word, Light, Lamb. Water, Birth, Spirit. Bread, Life, Blood. A favorite among Christians, the Gospel of John is unique in Scripture – the words erupt off the pages and Jesus walks with one foot off the ground throughout the book. Likely one of the first New Testament books written, John focuses on Christ Jesus as the New Torah, the New Temple, and the New Passover lamb given for us in Holy Communion. “For My flesh is food indeed, and My blood is drink indeed” (John 6:55). Michael Stamp will lead this 13-week study on the first six chapters of John. ***Bringeth thy Bible, and bringeth thy brain.***

Growing Young (8th Grade Room)
