Websites

dare2share.org

Dare 2 Share is a Christian ministry that equips teenagers to relationally and relentlessly make disciples who make disciples. Dare 2 Share has some great stuff to walk you through having spiritual conversations with your friends. Check out [Soul Fuel](#), a weekly devotion that uses movies, music, TV, and trends in the culture and relates them to faith. Their [How to Share Your Faith With...](#) section unpacks 13 different worldviews and gives some insights that will help you be effective in sharing your faith with others. Dare 2 Share also has two different websites you can share with your friends that need Jesus. There is even a [Dare 2 Share app](#)! Check them out on [facebook](#) and [twitter](#).

pleaseconvinceme.com

PleaseConvinceMe.com was born from an honest search for answers to the most important questions of life. The website has a lot of great articles, blogs, podcasts, and videos on different topics related to Christianity and how it compares to other religions and beliefs. If you or your friends have questions about Christianity or the Bible, this is a great place to go! Check them out on [facebook](#).

whatsfive14.com

Matthew 5:14 in the Bible says, "You are the light of the world." five14 is a place to learn how to impact your friends' and classmates' lives, as well as the world around you, as Christ's light. You might even find you learn more about who Jesus is too. You can read their [devotions](#) on the website or receive them by email. Check them out on [facebook](#), [twitter](#), and [youtube](#).

collegetransitioninitiative.com

Does leaving for college mean leaving your faith? It doesn't have to... College Transition Initiative provides resources to help you be more spiritually prepared for college. The website has a lot of great articles on topics like choosing a college, finding community in college, and drinking in college. You can also find audio clips, videos, books, and information on gap year programs. You can follow College Transition Initiative on [facebook](#) and [twitter](#).

Apps

[You Version: The Bible App](#)

This app allows you to access the Bible in a variety of translations at any time, right from your phone. You can highlight verses and take notes too. You can even download certain translations onto your phone so you can access them without an internet connection. When you open it up there is a verse of the day which is an easy way to read God's Word everyday! If you want to go a little more in depth you can set up a Bible reading plan through the app to help you work through larger portions of the Bible.

[Dare 2 Share](#)

Get the training and tools that will help you share Jesus' message of grace with your friends in your own unique, compelling way. There's videos about what to share and how to talk with your friends about your faith. There's even some videos you can show your friends as a part of your conversations! They also have tips for how to share your faith with a person of a specific worldview (atheist, Buddhist, Hindu, Muslim, Mormon, Wiccan, and more).

[Bible Lock Screens](#) (for iPhone, iPad, iPod Touch, and Android devices)

Most people look the lock screen on their phone (or other device) many times a day to use their phone, to check the time, etc. The lock screen appears for about eight seconds... which is a lot of time to be looking at something random. Since you can customize your background, why not use a background with Scripture on it? That's what this app will let you do! You can download backgrounds for your lock screen with Bible verses, faith encourages, etc. You can also email them, text them, facebook them and tweet them to your friends and help spread the Word of God and encourage others!
